

## In memory of Gareth Dunn

On Sunday 18 May 2025, the sixth annual Cookridge Community 10K and Fun Run will take place around Golden Acre Park.

The races support Cancer Research UK and local charities and the run is dedicated to local fundraiser, Gareth Dunn, who sadly passed away from cancer in 2018 aged just 27 after raising over £100,000 for Cancer Research UK.

Last year's run was a 'sell out' with over 400 runners and this year even more runners are expected to take part on what is one of the most scenic trail runs in the North of England.

As a local, community-based event, we are asking for support from local companies and businesses in order to cover the running costs of the event, so all other funds raised go directly to charity. In return we will promote your business on T-shirts, on the day and on the website and promotional material.

Gareth was an active sportsman, having been selected to train for the British Paralympic squad and run the London marathon, and often trained around Golden Acre Park a few minutes from his home in Cookridge.

We hope you can support the event and appreciate any help you can give.

Lee, April, Rhys, Olivia
